## **DETAILED ACTION**

### ***Drawings***

1. The drawings filed on January 3, 2002 are acceptable subject to correction of the informalities indicated on the attached "Notice of Draftsperson's Patent Drawing Review," PTO-948. In order to avoid abandonment of this application, correction is required in reply to the Office action. The correction will not be held in abeyance.

### ***Allowable Subject Matter***

2. Claims 1-68 are allowed.

3. The following is an examiner's statement of reasons for allowance:

A. Regarding independent claims 1, 52 and 57, the prior art of record fails to show the mobile platform which can be displaced laterally from the base in a direction substantially parallel to a seat back of a vehicle without requiring any substantial displacement of the mobile platform in a direction perpendicular to the seat back, in combination with other specifically claimed features.

B. Regarding independent claim 19, the prior art of record fails to show the mobile platform which can be displaced laterally from the base in a direction substantially parallel to a seat back of a vehicle, wherein the loading position is closer to a vehicle door than the ready position when the device is installed substantially in the

center of a vehicle seat, and wherein the rotating platform can be rotated with respect to the stationary base to rotate a child seat attached to the upper platform into a desired position for convenience when loading, yet into a rear-facing or front-facing position when the mobile platform is in the ready position, in combination with other specifically claimed features.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
